MUSTANG SALLY TO PERFORM FREE CONCERT IN KENNESAW

They're touring with a stage full of musical instruments, a ton of great songs, and a show that rocks. It's Mustang Sally...a recipe that's been drawing crowds from coast to coast.

Mustang Sally will perform outside at the historic train Depot in Downtown Kennesaw on Saturday, April 8. The free concert, scheduled to start at 6pm, is the first of five musical performances in the City of Kennesaw's 2006 Downtown Kennesaw Concert Series.

Bring a blanket or lawn chair and enjoy an evening under the stars. Groups can rent a table for six near the performance area for only \$40. Visit www.kennesaw-ga.gov/pkrec for details.

The Depot is located across the street from the Southern Museum of Civil War and Locomotive History in Downtown Kennesaw. Parking is available along Main Street, behind the Southern Museum (off Shirley drive), and off Sardis Street (near the intersection of Big Shanty Drive). Cherokee Street, from Main Street to Big Shanty Drive, will be closed during the event.

For more information about the Downtown Kennesaw Concert Series, visit www.kennesaw-ga.gov/pkrec or call (770) 422-9714.

About Mustang Sally

Not just across the United States, but around the world: seven chicks rocking out, holding their own musically and vocally against anyone, male or female. Fun, flirty, and electrifying: it's Mustang Sally.

Dynamic lead singer Tobi Lee (North Vernon, IN), sweet-voiced rhythm guitarist Brenda Zitzman (New Ulm, MN), fun-loving keyboard player Rachel Solomon (Austin, TX), incredible lead guitarist Lynne Campbell (Te Awamutu, New Zealand), grooving bassist Amanda Ruzza (São Paulo, Brazil), and crazy fiddle player Sarah Wilfong (Chicago, IL), are all held together by the rock-solid beat and harmony vocals of drummer Lisa Romeo (Omaha, NE).

Mustang Sally has played high-profile dates with George Jones, LeAnn Rimes, Mark Chestnut, Dierks Bentley, Neal McCoy, and .38 Special among others. Popular fair and festival headliners, Mustang Sally has also been sought to perform at military bases, rodeos, motorcycle rallies, and clubs, from New York to Las Vegas to the Middle East to Switzerland.

Mustang Sally began as Lisa Romeo's inspiration, and she searched the world for the most talented female musicians and vocalists to carry out her vision. Among all seven members of the band there is virtually every possible musical influence, including samba, blues, Celtic, and rock'n'roll. Each girl is talented enough in her own right to be a solo artist, and Mustang Sally blends that level of artistry into a sound that blows audiences away, playing everything from edgy country to southern rock, with the unexpected bluesy chord progression, R&B riff, or bluegrass twang worked in so effortlessly that one wonders why the tunes haven't been played like this before.

The girls consider the audience their extended family and have as much fun chatting with the crowd and signing autographs as they do rocking on stage. Follow Mustang Sally's rising star as these amazingly talented young women make their mark on the world!
